

COVID-19

Economic Relief Package

NJEDA initiatives aimed at stabilizing and revitalizing local small businesses, mid-size businesses, and other early-stage companies

March 31, 2020

We have developed our economic stability approach around three core principles

- 1. Get funding into the market as soon as possible
 - Where possible, adjust existing NJEDA programs to address crisis needs
 - Utilize multiple channels / partners to maximize marketing of programs and minimize processing capacity constraints
- 2. Leverage private, federal, and philanthropic capital where possible to scale impact
- Provide a suite of compatible offerings to help address varied marketplace needs (e.g., grants, no-cost loans, low-cost loans, loans through intermediaries, technical assistance)
